

ICMM Specialised Courses on the Law of Armed Conflict and Military Medical Ethics

14–19 September 2025, Schwarzenberg Lucerne, Switzerland

The ICMM and the Swiss Armed Forces Medical Services Directorate welcome service members from all over the world to two hybrid courses for military medical personnel.

25th ICMM Course on the Law of Armed Conflict (LoAC)

The course aims to

- Familiarise course participants with International Humanitarian Law (IHL);
- Explain the possibilities and limitations of the international law of armed conflict;
- Analyse problems and challenges related to IHL in the context of military operations.

13th ICMM Course on Military Medical Ethics in Times of Armed Conflict (MME)

The course aims to

- Enable participants to recognise and analyse situations that present ethical and legal dilemmas in contemporary military operations;
- Equip participants with the tools to make legally and ethically sound decisions.
