

Course Announcement

19th Course on the International Law of Armed Conflict (LOAC)

&

5th Course on Military Medical Ethics in Times of Armed Conflict

both courses are addressed to the Military Medical Personnel,
Military Medico-Legal Officers, and Chaplains

Mandated by the **International Committee of Military Medicine**

Organized by the **Swiss Armed Forces Medical Services Directorate**

20.-24. August 2017
Spiez, Switzerland

Course A – Law of Armed Conflict

18th Course on the International Law of Armed Conflict (LOAC)

by the International Committee of Military Medicine (ICMM)

August 20 - 24, 2017 in Spiez, Switzerland

The International Committee of Military Medicine, the *ICMM Reference Centre for Education of International Humanitarian Law and Ethics*, and the Swiss Armed Forces Medical Services Directorate wish to offer to young Military Medical Personnel, Military Medico-Legal Officers, and Chaplains a

Course on International Law of Armed Conflict (LoAC) aimed to

- demonstrate relationships, responsibilities and interdependencies between the specific functions of the medical services and International Humanitarian Law.

The course serves to

- develop the responsibilities of the medical and spiritual personnel under International Humanitarian Law;
- familiarize course participants with International Humanitarian Law;
- establish connections of the International Humanitarian Law with the specific mission of the medical services;
- make opportunities and limits of the International Law of Armed Conflict known;
- recognize and analyze actual problems and challenges related to International Humanitarian Law and the medical ethics within the scope of military operations including peace-keeping operations, and help to look for possible solutions;
- motivate course participants to recognize their responsibility of training Humanitarian Law in their country.

The teaching and training focuses on the Law of Armed Conflict (LoAC)

- the Geneva Conventions
- their Additional Protocols
- the Hague Conventions
- other sources of International Humanitarian Law

Course Languages

- The course is organized as follows: two English speaking classes and one French speaking class. Plenary Lectures will be held in English and translated into French simultaneously.

Course B - Ethics

5th Course on Military Medical Ethics in Times of Armed Conflict (MME)

by the International Committee of Military Medicine (ICMM)

August 20 - 24, 2017 in Spiez, Switzerland

The International Committee of Military Medicine, the *ICMM Reference Centre for Education of International Humanitarian Law and Ethics*, and the Swiss Armed Forces Medical Services Directorate wish to offer to young Military Medical Personnel, Military Medico-Legal Officers, and Chaplains as well as other interested members of the armed forces a

Course on *Military Medical Ethics and International Law of Armed Conflict* aimed at

- enabling participants to recognize and analyze situations that present *ethical and legal dilemmas* from contemporary military deployments;
- qualifying the participants to make legally *and* ethically correct decisions in situations where competences in international law *and* ethics are similarly relevant.

The course

- establishes connections of the Humanitarian Law with its ethical fundamentals;
- illustrates the ethically difficult role of the medical officer who plays a role between soldier and physician;
- familiarizes course participants with approaching ethically difficult situations and dilemmas by teaching them a framework for ethical decision making;
- recognizes and analyzes current problems and challenges related to International Humanitarian Law and military medical ethics within the scope of military operations including peace-keeping operations, and helps to identify possible solutions;
- motivates course participants to recognize their responsibility of training and disseminating International Humanitarian Law and Ethics.

The teaching and training focuses on Ethics

- Ethical Decision Making in Military Medical Ethics
- Ethical Foundations of IHL

The course presupposes

- **a solid knowledge of the fundamental norms of International Humanitarian Law** (Geneva Conventions and Additional Protocols) on the level taught in the ICMM LOAC courses.

Course Language

- The course is held in English language.

Further information and the full program can be found on our homepage → <http://mme.melac.ch/>
